

FEATURES

- No CFCs.
- With excellent coverage and adhesion.
- Easy and quick spray and minimize loss.
- Fast drying and providing bright, smooth, durable finish for all interior / exterior applications.

APPLICATIONS

- For top coating interior / exterior wood, steel & iron, aluminium alloy, galvanized steel and other metal surfaces.
- Widely used in the line of building & decoration, household and advertisement.

DIRECTIONS

- Clean surface thoroughly, removing all dirt, grease, oil, wax, rust, moisture, etc. Cover adjacent areas to protect from spray mist. Use at room temperature.
- Shake can vigorously for one minute before spraying and occasionally while in use to ensure color uniformity and prevent clogging.
- Test spray in a small inconspicuous area of the previously painted surface.
- Hold can 12-16 inches from surface to be sprayed. Press spray button firmly with steady even strokes while moving can rapidly back and forth. Finger must not protrude over the front edge of spray button.
- 2 or 3 thin coats with intermittences of 10 minutes are better than one continuous heavy coat.
- Should paint bubble or run, you are too close to the surface or spraying too heavy coat.
- After use, turn can upside down and depress valve button for several seconds to clear valve until only gas emerges so as to prevent clogging.
- Discard empty cans in trash pickup. Do not place in home garbage compactor or burn.

HEALTH & SAFETY PRECAUTIONS

- CONTENTS ARE EXTREMELY INFLAMMABLE AND UNDER PRESSURE.
- Use only as directed, intentional misuse by deliberately concentrating or inhaling the contents can be harmful or fatal.
- Keep away from heat open flame, spark and any other sources of ignition.
- Use only under well-ventilated condition.
- Store in a cool, dry place (below 115 °F), higher temperature may lead to explosion.
- Do not puncture or incinerate the can even when empty.
- Avoid prolonged contacting with skin and breathing vapor or spray mist.
- In case of contacting with eyes, flush repeatedly with warm water and contact physician immediately.
- If swallowed, do not induce vomiting. Call physician immediately.
- Keep out of the reach of children.
